S I R :

Submitted herewith are:

- (1) Copy of the International Search Report (in the
Japanese language) mailed September 12, 2003 issued
from the Japanese Patent Office acting as the
International Searching Authority in the corresponding
PCT International Application and an English
translation thereof;
- (2) Copies of the cited publications;

- (3) Form PTO/SB/08A. It is requested that an initialed copy of the form PTO/SB/08A be returned to indicate that the publications listed therein have been considered and made of record.

Each of the cited publications is considered relevant or material to the patentability of the present invention in view of the citation thereof in said communication and for the reasons stated in said communication.

An English translation of the International Search Report is provided, thereby satisfying the requirements for a concise explanation of relevance. According to MPEP 609A(3), if an English translation of a foreign language Office Action is provided, a concise explanation of pertinency of the cited art can be omitted.

It is respectfully requested that the attached publications be considered and made of record.
